2025

XI Academic Conference on Humanist Culture. *About the information Society.*

On the second half of the 20th century appears a new model of society based on the new technologies which make easier the creation, distribution and diffusion of the information: has born the information Society, which has generated important economic, social and cultural changes. This meeting sets out to analyze these changes and consequents in a personal way and also in a collective way. 19th and 20th November.

The expressivity of the creation

The geometry, the nature, the art and the religion talk among them in this exhibition. From a collection of images, we can discover evident and common shapes, which have also a deep relation with the reality. From 1st October in the Hall of the Abat Cisneros Hotel.

ESCOLANÍA DE MONTSERRAT

The Escolania (Boys' Choir) sings from Monday to Friday the Salve and Virolai at 13h and on Sundays at 12h, and from Sunday until Thursday a motet at 19:10h, after Vespers.

The Escolania will be on Christmas holidays from 26th December until 8th January, both included.
